

## SPIRIT OF FREEDOM INFORMATION AND RATES JULY 2018 - JUNE 2019

Spirit of Freedom offers unique scuba diving experiences along the remote far northern coast of Queensland, and into the oceanic wilderness of Australia's Coral Sea. Live-aboard expeditions travel to iconic dive destinations for encounters with sharks, Dwarf Minke whales, and diverse marine life amongst isolated and abundant coral reefs.

Regarded as Australia's largest and most comfortably appointed dive vessel, the 37 metre cruiser offers spacious accommodations for up to 26 guests in 11 generous cabins with private bathroom. The three deck steel mono-hull boasts electronic stabilizers, the latest navigation and scuba technology, and spacious dive deck and communal areas. The on-board experience includes chef prepared meals, Australian wine with dinner, and personalised service provided by 10 experienced crew.

Year round, three, four, and seven-day expeditions visit the world renown diving destinations of the Cod Hole, Ribbon Reefs, and Osprey Reef in the Coral Sea. Special expeditions are also available on an ad hoc basis, and custom whole boat charters can be reserved.

Day 5 and 6: Up to 5 dives a day, including a shark attraction dive. Day 7: Diving Ribbon Reef #5 including Steve's Bommie, before an overnight cruise back to Cairns. Day 8: Light breakfast on board and transfer to Cairns hotel.

**\*Coral Sea and other itineraries subject to change in adverse weather**

## ANNUAL HIGHLIGHTS:

### MINKE WHALES

Dwarf Minke Whale encounters can be experienced in June and July, when these small curious whales migrate from the Antarctic seas to the warm waters of the Great Barrier Reef. Lingering around the Ribbon Reefs, the whales often freely approach divers and snorkelers up to a few metres away, allowing a unique and remarkable encounter. Spirit of Freedom is endorsed by the Great Barrier Reef Marine Park Authority to offer Swimming with Whales activities.

### FAR NORTHERN EXPEDITIONS

The Far Northern Reefs are known as the isolated reefs north of Lizard Island that extend to the tip of Cape York peninsular, around 500 nautical miles from Cairns. One of the last totally pristine areas of the Great Barrier Reef, these reefs are seldom visited by any boats, and many of the hundreds of reefs in the region, are yet to be fully explored. Diving expeditions to the Far Northern reefs is only available in the spring and early summer, in line with the turtle nesting season. While offering incredible diving, these expeditions are of an exploratory nature and are suitable only for experienced divers. Spirit of Freedom has 4 x 7 day expeditions in 2018 departing 22nd & 29th October and 19th and 26th November, 2018 Please enquire for rates and further information .
